## REPORT OF APPROVED CONTINUING EDUCATION FOR PERIOD ENDING SEPTEMBER 30, 2012

### When to File Report

This form is completed by continuing education (CE) providers who wish to have their approved course offerings listed on the Delaware Board of Massage and Bodywork web page entitled [Approved Continuing Education](#).

**The report is due September 30, 2010**

The Board office will use the report to update the web page. Approved courses that are reported will be listed on the web page for the remainder of the current license period, ending September 30, 2012. Approved courses that are not reported will be dropped from the web page.

### Courses to Report

List **only** CE courses that you **currently** offer and that are **already approved** by the one of these bodies:

- National Certification Board for Therapeutic Massage and Bodywork (NCBTMB)
- American Massage Therapy Association (AMTA)
- Delaware Board of Massage and Bodywork

If a course has never been approved by any of these bodies or if you have changed its content or length since its approval, submit an [Application for Approval of Continuing Education](#) instead of this form. The *Application* is available on the *Forms* page of the Board's website at [dpr.delaware.gov](http://dpr.delaware.gov). If the Board approves the course, it will be added to the Board's web page at that time.

For information about course approval, see Section 7.0 of the [Rules and Regulations](#), also available on the Board's website.

### How to Submit Report

If you prefer to complete the report electronically, a fillable version is available on the [Forms](#) page of the Board's website. Fax or email your completed report to the attention of the Board of Massage and Bodywork at (302) 739-2711 or [customerservice.dpr@state.de.us](mailto:customerservice.dpr@state.de.us).
